Baseball is shooting itself in the foot. Pitch count, see Bob Gibson, Nolan Ryan, Bob Feller, etc. Game time, see Greg Maddux. Shift, see Ted Williams and a bunch of others. All these "improvements" are bs.

15 runs, 19 hits, 5 walks between the Royals and Rangers in a game that lasted 2:29.

I can't hate the pitch clock enough.  
And then toss in all the other stupid  
new rules, they are ruining the game.
