

KCAHE NEWS

A promotional graphic for the KCAHE Annual Conference 2023. It features a central image of a man in a white shirt and tie, wearing an orange safety vest, pointing his finger towards the viewer. The background is a light blue and white grid with various icons representing healthcare, engineering, and technology. The KCAHE logo, a blue gear with a white cross, is prominently displayed on the left. The text "ENGINEERING THE FUTURE OF HEALTHCARE" is at the top, and "ANNUAL CONFERENCE | THURSDAY, OCTOBER 5, 2023" and "Children's Mercy Park: | Sporting Way, Kansas City, KS 66111" are at the bottom.

KCAHE Annual Conference 2023

Engineering the Future of Healthcare

This October we will celebrate the 20th anniversary of KCAHE's Annual Conference. Today, more than ever, this event provides us with a forum to connect with and learn from industry experts located in Kansas City and around the country.

The Annual Conference has served to make us better by creating an environment that allows us to collectively improve and engineer the future of healthcare.

Registration information available on the [KCAHE web site](#).

Monthly Membership Meeting
Trends in Healthcare Design and Construction
Location - TBD

Call for Presentations

The Annual Conference Committee is now accepting submissions for presentations for this year's event to be held at Children's Mercy Park on October 5.

The theme of this year's event is - ***Engineering the Future of Healthcare.***

Presentations should illustrate a best practice, new technology, or strategy in design and construction. The presentation could also illustrate an industry trend that affects how hospitals do business in support of the conference theme.

Presentation teams should be 2-5 people. Visuals are a plus. If the presentation focuses on a completed construction project, suggested presenters include the architect, contractor, engineer, and facility owner. You may submit multiple presentation proposals. Sessions will run approximately 45 minutes. There will be one or two presentations selected.

Complete guidelines and directions for submission can be found on the [KCAHE web site](#).

Submissions are due no later than July 31, 2023.

KCAHE Annual Golf Event

The KCAHE Golf event will return to St. Andrews Golf Course in Overland Park on August 11, 2023. The event will begin at 7:30 AM (shotgun start) with registration opening at 6:30 AM. Breakfast will be served that morning prior to the start of the event.

This event is **SOLD OUT**. If you would like to be added to a list of interested players for any incomplete teams, please contact [Tracy Johnson](#).

Attendees can find additional information for the event on the [KCAHE web site](#).

KCAHE Membership

Membership with KCAHE provides the following benefits:

- Time to network with vendors and healthcare providers. Networking provides our members the opportunities to learn the concerns of people responsible for environments of care, issues in healthcare facilities and for vendors to inform our healthcare members of their services, equipment, and processes that might assist them in best business practices.
- KCAHE's monthly membership meetings give members a forum to share ideas, issues and challenges that may be affecting market sector with different decision makers in our industry. It also provides an opportunity to discuss the changes in technology, methodology and design that will be driving health care in the future.

KCAHE has the following membership categories:

- Healthcare Member - \$25/calendar year
- Vendor Member - \$300/calendar year
- Student Member - FREE (Interns and current students)
- Retired Healthcare Member - FREE
- Rural Healthcare Member - FREE (First year of membership is free to current non-participating regional healthcare facilities and critical access hospitals located within 50+ miles from the greater Kansas City area)
